FUNZI ISLAND EXCURSION

From your hotel drive along the Mombasa / Darsalaam highway (approximately 60 Km from Mombasa Island and 30 Km from Diani) arriving at Bodo Village at around 9:00 am.

From Bodo Village, board Great Funzi Island arriving in approximately 15 minutes. Dependent on tides, you might just start the tour by cruising to the River Ramisi, home to numerous crocodiles and colorful sea birds, cruising through different mangrove species found along the river bank.

On the Island the local women will show you how to **make mats, caps and traditional fans** in their own style.

If you wish you may also visit the famous **Funzi shrine** otherwise known as the medicine man's place to observe traditional worshipping practices. Visit the oldest and **historical baobab tree** on the Island – estimated to be 800 years old. Learn more about this unusual supernatural tree

The Funzi Sand Bank

Totally submerged during high tides and an exceptionally beautiful beach by low tides, the Funzi sand bank offers a unique and ultimate spot for swimmers. For non swimmers, there is an opportunity to bask in the sun while enjoying the panoramic view of Funzi Island from a convenient spot.

Funzi Village Tour

Take this opportunity and a rare chance to explore a truly rich **Swahili culture** and tradition. From your guide you will be able to learn the history of **Funzi Island** from the time the indigenous people settled there way back **2000 years** ago and more about the natives- the **Washirazi a.k.a Wachifundi**.
